

*Like a Luxury Cruise,
but Absent the Seasickness.*

Sumptuous surroundings. Broad decks with fabulous views. A fitness area with spa and sauna. Dry cleaning, laundry and housekeeping services. A concierge and social director.

It would be fair for you to assume we're describing a luxury liner. You would be quite mistaken, however. We are, in fact, describing The Regency / West, the finest collection of apartment homes to be found anywhere. (Except, of course, on the high seas.)

In addition to those amenities already enumerated, each apartment at The Regency / West is appointed with a fully-applianced Whirlpool® kitchen, a full-size washer and dryer, air conditioning, cable television and many other features designed to pamper. The Regency / West is convenient to any number of destinations, as well, for those occasions when you are overcome by the urge for an excursion.

But, to be among the fortunate few who will reside at The Regency / West, haste is appropriate. You wouldn't, after all, want to miss the boat.
