

If you're looking for a great business class seat, we think you'll prefer the one on the right.

They're both very comfortable and have plenty of legroom. They both feature in-seat food and beverage service, and first-run entertainment.

But in FleetCenter business class seats, the entertainment is live! It's the Bruins...

the Celtics... and unrivaled concerts and events. The food and beverage choices are fantastic. You can get up whenever you want, phone and fax at will, and even high-five your clients while doing business.

Enjoy your trip.
